Thanks Lynne: in the case of our Dewey Burdock draft UIC permits, I take this to mean that we have until 5 pm next Monday, Dec. 5th to authorize publication for a notice that they would publish on Thursday, Dec. 8th in their weekly paper. This would be later than the two other weeklies who need to hear from us this Friday.

A few questions:

1. What day do you publish?
2. What is the submittal deadline for that day?

Thank you.
